FEDERACIÓN PANAMERICANA DE CONSULTORES

Lima, Peru. May 13, 2016

**Mr. Enrico Vink**  
**General Director FIDIC**

**Dear Mr. Vink:**

On our last General Assembly which was held at **Rio de Janeiro, Brasil** on March 28th, and at which we had the honor of the presence of Mr. Italo Goyzueta, the Assembly unanimously agreed on the following resolution.

"Nominate Dr. Reyes Juarez, president of FEPAC at the present time, as the only candidate of the Iberoamerican región to the Executive Committee of FIDIC".

Enclosed are the signatures that back up this resolution.

Actually the región of FEPAC includes various active members of FIDIC, among which are Mexico, Brazil, Colombia, Peru, Chile, Spain and Portugal.

The feeling of the Iberoamerican countries is that due to the increasing growth of this región, it requires to be represented at the Executive Committee of FIDIC; that is the reason we present this supporting letter for Dr. Reyes Juarez.

Receive the kind regards from the Iberoamerican countries. Sincerely yours

**Ing. Irina Safra**
